

# ***Miss Donna's Summer Camp Adventures 2026***

What could be a better way to spend the summer than with outdoor adventures, creative play, art, and educational activities? Through daily adventures, and activities curiosity and an appreciation for nature will build confidence and self-esteem. It is a whole-child approach to nurturing the hands, heart, and mind of every child.

Miss Donna will offer a morning program, afternoon, and full day. This year the program will be located at the **Hingham Girl Scout House located at 26 Burr Rd. Hingham**. Each day an adventure will be planned which will take up a good portion of the day, however for younger children many activities will take place at the Girl Scout House with off-site adventures shorter.

The week will culminate with a carnival and pizza party every Friday. The kids will have the opportunity to buy prizes with the tickets that they will have earned all week long. Tickets are earned each day through group challenges, scavenger hunts, team-building projects, and activities.

Transportation is provided in vans with five-point harness seats, shoulder straps and boosters. Camp is recommended for children between the ages of 3 and 10. Daily activities will be chosen based on campers' ages, and at times activities may be different for younger campers than older ones. Some of our favorite weekly activities include fishing, crabbing, hiking, turtle feeding, grasshopper hunting, fort and gnome/fairy home building, scavenger hunts, team games and visiting and eating Hornstra Farm ice-cream. Some of our favorite locations are Wompatuck, Norris Reservation, Nantasket Beach, Fort Revere, Osprey Overlook and many others local locations.
